Dear Friend,

I want to thank those of you who participated in last week's e-survey regarding health care reform. Over 2,200 constituents completed the questionnaire. The insight you offered helps me to serve you better here in Washington, D.C. and will be particularly instructive as the House and Senate resume budget discussions next week. I've also included the full results of the survey below.

I look forward to sending more of these surveys in the future and hope for continued and growing participation from residents of the 3rd District.

Sincerely,

Daniel E. Lungren
Member of Congress
